## ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Board of Education and Citizens of the Hill School District:

I herewith submit my annual report as Superintendent of Schools.

Jennie Blake School opened this fall with Mrs. Rounds continuing as principal. Teachers new to Hill this year are Miss Marlene Cote and Mr. Kenneth Hazen. Both graduated from Plymouth Teachers College in June. Mrs. Hilda Greene replaced Mrs. Miller as music instructor and Miss Moynihan continues as school nurse.

Mrs. Rounds decision to retire from teaching following the Christmas Holidays will cause a vacancy in the staff that will be difficult to fill. I am pleased to have had an opportunity to work with her for these past two and one half years.

With the opening of school this year education in Hill took a substantial step forward. A new room was added during the summer vacation and the staff was increased by one teacher.

By sending the seventh grade pupils to Bristol and Franklin, I believe their educational opportunity has been broadened. Keeping the first six grades in Hill with a new room and teacher permitted a reorganization placing two grades in each room instead of the three and four to a room as last year.

The whole atmosphere of the school has been greatly improved. Pupils are busy with their work, teachers have time to give help to individual children and the whole class gets twice as much attention as was possible in the past.

I believe the children of Hill will benefit substantially from this new arrangement.

We are continuing to use educational television. This fall a new program, phonics for first and second grades, was added to the telecasts and we are using it in Hill.

The total appropriation recommended by the School Board and Superintendent is \$44,213.49. It is believed that this budget is necessary to adequately serve the education of the children in Hill.

At this time I would like to express my appreciation for your support and cooperation this past year.

Respectfully submitted,

HERMAN N. DONEGAN  
Superintendent of Schools
